

Where do we want LifeTrain
to be and how close are we?

Course provider – breakout session day 1

What are the key issues and topics that LifeTrain should focus on?

- **Who are you? Are you a signatory?**
- 12 signatories, 6 not signatories
- **Opportunities:**
- 1.) Lifetrain can strengthen the awareness of training offers, e.g. via on course – Lifetrain as a broker, communicator
- 2.) Lifetrain could support course providers with competence profiles, could setup tools for competence profiling, could gather information on competence profilings done by the course providers, could preview changes in the competence profiles in the future
- 3.) Lifetrain could support the quality acknowledgement of the courses (following the 9 IMI quality criteria)
- 4.) Lifetrain could support networking among course providers, scientific bodies...
- 5.) Lifetrain could communicate best practice cases

What are the key issues and topics that LifeTrain should focus on?

- Challenges
- 1.) Sustainability and funding
- 2.) Stakeholder interaction
- 3.) Communication and perception
- 4.) Accreditation, recognition, quality - > who should assess quality?
- 5.) Competency profiles
- 6.) Produce CPD that ist „fit“ for purpose in industry
- 7.) how to handle new professions?
