

A process of a real-life education which never stops

Jure Ačimovič

Institute of Biochemistry, Faculty of Medicine, University of Ljubljana , Vrazov trg 2, Ljubljana 1000, Slovenia

2003
Faculty of Pharmacy,
Diploma in Biochemistry and
Molecular biology

Diploma lead
to research
entusiasm

PhD programme of
Biochemistry and Molecular
biology at Faculty of
Medicine

Lack of
statistical
knowledge –
Life science
problem

PhD programme of
Statistics at
Biotechnical faculty

Two PhDs finished
in 2012 –What
now?

Financial
crisis

1-year post-doc at
Karolinska Institute
in Sweden

The native lab
got involved in
two EU FP7
programmes

ISBE and CASyM
Project manager at
University of
Ljubljana

EU project
enabled
enrolment

SysMIC
a comprehensive
online course in
systems biology
aimed at researchers
in the biological
sciences.

Use of On-Course and
Life Train

Future?
Remains to be
determined.

Infrastructure
for Systems Biology
Europe

Coordinating Action Systems Medicine
Implementation of Systems Medicine across Europe
